About Us

IDEE is a trusted Indian manufacturer of high-performance power tools and precision-engineered spare parts, delivering products that meet the real demands of professional and industrial use. Based in Dhrol, Jamnagar (Gujarat), we operate with a clear focus on engineering strength, consistent quality, and long-term reliability.

With over 15 years of manufacturing experience, IDEE has built a strong reputation for producing power tools designed to deliver power, durability, and efficiency, ensuring dependable performance across workshops, job sites, service centers, and households throughout India.

Our comprehensive product range includes Blowers, Drills, Paint Mixers, Heat Guns, Field Coils, Armatures, Spanners, Washers, Switches, Carbon Brushes, Carbon Holders, and Power Cords. Each product undergoes strict quality control to ensure it meets industry standards and customer expectations.

Why Choose Us

- ✓ We offer a complete range of power tools & spare parts in one place
- ✓ Products are tested for Indian working conditions
- ✓ Affordable prices with long-lasting performance
- ✓ Strong dealer and distributor network across regions
- ✓ Customer-first approach with after-sales support

| R.P.M. | 13500 |
| No Load AMP | 3.0 |
| Weight | 1.8 kg. |
| Air Flow | 33 m/s |
| Cable Length | 2 Meter |

IEB-40 VS

IDEE BLOWER SPECIFICATION IEB - 40 VS

| | |
|--------------|------------------|
| Volts ~ | 230-50 Hz |
| Power | 650 Watt |
| R.P.M. | 1700 to 13500 |
| No Load AMP | 3.0 |
| Weight | 1.9 kg. |
| Air Flow | 17 m/s to 33 m/s |
| Cable Length | 2 Meter |

POWER TOOLS & ACCESSORIES

IEB-40A

IDEE BLOWER SPECIFICATION IEB - 40A

| | |
|--------------|----------------|
| Volts ~ | 230-50 Hz |
| Watt | 750 Watt |
| R.P.M. | 14500 |
| No Load AMP | 3.0 |
| Weight | 2.3 kg. |
| Air Flow | 18m/s to 34 ms |
| Cable Length | 2 Meter |

IEB-80

IDEE BLOWER SPECIFICATION IEB - 80

| | |
|--------------|----------------|
| Volts ~ | 230-50 Hz |
| Watt | 750 Watt |
| R.P.M. | 1700 to 16000 |
| No Load AMP | 3.2 |
| Weight | 2.2 kg. |
| Air Flow | 18m/s to 38 ms |
| Cable Length | 2 Meter |

POWER TOOLS & ACCESSORIES

IEB-1050

IDEE PAINT MIXER SPECIFICATION IEB - 1050

| | |
|-----------------|------------------|
| Volts ~ | 230-50 Hz |
| Max Input Power | 1050 Watt |
| R.P.M. | 750 |
| No Load AMP | 3.0 |
| Weight | 2.5 kg. w/o. rod |
| Bore Dia. | 22.2 mm |
| Length | 295 mm |
| Rod Length | 575 mm |

ALSO AVAILABLE IN
VARIABLE SPEED

IID-13/10

IDEE IMPACT DRILL SPECIFICATION IID - 13/10

| | |
|-----------------|-------------|
| Volts ~ | 230-50 Hz |
| Max Input Power | 550 Watt |
| No Load AMP | 3.3 |
| R.P.M. | 1800 |
| Weight | 2.4 kg. |
| Chuck Size | 10mm / 13mm |
| Cable Length | 2 Meter |
